Started in 1996, limited in size but had a great vision. "Quality produces Trust". Trust of customers on our quality products helped us in establishing a gigantic industry. That industry is recognized as "MURASAL". Under the name of MURASAL Fightwear, we have our weaving department, processing and dyeing department and stitching department. We have highly qualified and skilled team members who are offering their best in their respective department. We worked tirelessly to build the trust.

Now, we are one of the leading manufacturers of fightwear in Pakistan. We are making our products with the key focus on quality and comfort.

We supply a full range of martial arts uniforms and belts. In order to facilitate our customers, we are offering complete customization option to all our customers. From fabric selection to the color selection and from designing to stitching, we offer complete customization. Whether you want to change just the mini details or need to change the complete design, we can do it for you. You can either provide us your own design or we can create one, following your requirements and guidelines.

If you see something you like on our site, we hope you try it out. Just contact us! We will handle each of your order with lots of love and spread it world-wide.
